Debra Fabrizio sent a virtual gift in honor of Andres.

The love and joy that Andres brought to all of us will never be forgotten. His presence in my classroom taught me so much about strength and perseverance. He never let his illness get in the way of anything. I am truly blessed for the time I shared teaching this kind, loving, and sweet child. I will miss him dearly-and extend my deepest sympathies to his family and all who knew and shared in his life. May Christ who died for you admit you into his garden of paradise so that you can see your Redeemer face to face, and enjoy the vision of God, forever.

The funeral for Andres was one of the most beautiful Catholic funerals I have ever attended. Victor and Sonia were role models for us all. Just seeing their strength and grace made me want to be a better person. Victor and Sonia - thank you for inspiring us all by the way you live your life, always grateful, always with a kind heart, and always with a smile. Your son touched our lives and will remain in our hearts forever. Thank you for sharing Andres with us. I will pray for his soul from this day forward.
