Hunter Family posted:

Our memories are short and sweet. Art and Elaine would stop in for a short visit having a meal and catching up with their adventures. Art always had amazing stories to share, especially his sailing stories. Our son Mark David feels very sad because Grandpa Art was extra sweet to Mark concerning his having Autism, he took extra care conversing with him over Mark's interests and his life stories. " Grandpa passed away on my birthday, remembering he's gone every year on my birthday will be sad". We all loved Art and will miss him. Love you all, Mark, Madeleine and Mark David Hunter

To my dear loving Elaine, my heart goes out to you. You know how much I miss you and hearing english spoken properly when we were together. I tried writing and calling several times but could not get through. I'm happy Art went into Jesus' arms and is happily home where he always knew he would be some day. I hope he sees Ron there. I'm afraid I lost Ron December 16, 2019 to an aggressive brain tumor. He only lived 8 months from diagnosis. I would love to talk to you some time when you are up to it. God bless you Elaine. I will get in touch soon. All my love and be sweet. Maybe the boys are already talking a mile a minute. Gail Lyons

My dear Elaine, I am so sorry to hear of Art's passing. I am sure you will be missing him so much! Isaac and I have fond memories of you two that either had something to do with sailing or music and both were wonderful things to enjoy with you. I hope we can still stay in touch. We send much love and a huge hug. Love you. Rosalind and Isaac
