Robert always told me that all is reconciled to God. He so naturally nurtured his family, friends, colleagues ... and let's not forget his beloved Dolly. His beautiful plant "children" must be singing with joy that he is now at home. How fulfilled he must be at Home! He smiles on us with compassion and patience hoping we will soon be able to dry our tears and follow his example. I've never known anyone more true to the goodness of the eternal. Job well done Robert! - dear, sweet, smiling Robert-
