Grandma, I just love you so so much. I'm so sad, I miss you. I'm sorry I didn't call you more, you were like a second mother to me. I'm so grateful that you were able to come to our wedding, and dance with me. It makes me sad that you won't be here in person when Elizabeth and I get pregnant and have our first child, but we know you'll still be with us. I love and miss you so much. Thank you for everything you did for me and all that you taught me in my life. May we all strive to be more like you, one of our Lord's most faithful servants. You're not in pain anymore, and you no longer need your hearing aids, you're with our Lord and Savior, you can rest now. We'll all miss you forever. Goodbye for now, and Rest In Peace Grandma.- Kyle

You were like a mother to me, always so caring, loving and involved. I could always talk to you and you would understand and never judge. Although I didn't get to see you that much over these last years, our phone calls were always enlightening and will forever be cherished. Words can't explain how much I love you. You have and will, always be in my heart. I love you to the moon and back and forever more. May you Rest In Peace now with our Lord. Until we meet again Grandma. With love always, ❤️ Sara ❤️

Mom, I will never forget the wonderful memories I have with you. The silly times, the laughing, the long talks, the tears and even the arguments that always ended with apologies. You touched so many lives. It was amazing that no matter where we went together (even another state) you would run into someone you knew. Thank you for showing me what having a relationship with God meant and not compromising your beliefs for this world.

Dear Family, Relatives and friends of Char. We are very sad to say goodbye. I am sure Char is in heaven with Bob and I imagine Bob said to her " What took you so long " Despite Bob's not so funny jokes, it is good to know that Char is no longer suffering and has peace and happiness with Bob and family and friends. We miss her and with sympathy want all of you to know that you are in our thoughts and prayers God bless everyone at this sad and difficult time. Love, Aunt Eileen (North Olmsted, Ohio)

Aunt Char was always smiling and laughing. Her sense of humor, faith, and commitment to her family are what I will remember most about her. My mom will really miss talking with her. I know Aunt Char is in heaven with your dad and her siblings cracking jokes and telling stories. xo Dee Orlando (Gundle)
