I'm one of Robert 'Bob' great grandsons (Aven Dickerson). I'm 11 and he treated me like a diamond. He was always there for me and was caring you could not explain him in words. Bob also served his country with distinction as an Army colonel. Above all, he was truly a wonderful human being. His passing is a loss to us all and we will miss him. Truly Aven,

Bob was as fine of man as I had ever known. His work ethic and dedication to the City of Clearwater was unmatched. I like many others learned so much from him. As life goes on I am forever quoting his sayings. I never get tired of sharing his stores and life experiences with family and friends. Bob's smile and sense of humor will never be forgotten. Good-bye Pal.
