Anyone that knows me, knows I am not a "hugger" but when it came to seeing Joey I always looked forward to his hugs. He was always taking care of everyone around him and making sure their day was a little bright. Even if that meant taking the pregnant girl along to the Lady Gaga concert (best concert ever). His love for his family was fierce, especially his girls. And he may or may not of ever let me live down missing Fin's first birthday lol. I will miss your smiling face and thank you so much for those 3 little girls. They are what brought Mallory into my life and have given me the extreme pleasure of being a part of your world.

Whenever you were with Joe he always made sure you had the time of your life. So outgoing and so funny. He was such a wonderful person with a wonderful heart. I still can't believe that this is real and that my stepbrother has gone to heaven. 😞😞 Joe, Keven and I are so heartbroken ❤️ and we'll miss you sooo much. All that he and I have left of you is the wonderful memories we've spent with you whenever we went to visit Dad and Rita. We know that one of your favorite types of foods was Spanish food. We'll always think of you whenever we have it. You'll forever remain in our ♥ hearts. Rest peacefully, watch over and protect your family. We love you. 🙏🙏🙏 Love always, Your stepsister & soon to be brother-in-law Keven

Dear Joe.You will where here on earth way to short but never the less you will never be forgotten. Anyone they knew you had the good fortune of know the most caring and charismatic man. Everyone that knew you was a better person because of it. You show nothing but love for you Wife and daughters. The girl had a life of endless fun and laughter when with you. I will never forget the day you came up to me and thank me for helping your wife when she came to a Movie by herself with the three girls and Blake could not have been more then a few weeks old. That is how you were thoughtful of other people and always so kind. Even after your death you were so generous to people you will never met and gave organs to people so they could live longer. That is just how you are, a good soul. When I think of you I think of a upbeat person who lived life To the fullest and loved people. Wish more people were like you and learn how to be nice to mankind. You will be missed but never forgot. Find peace in heaven and make sure you make the angels laugh with joy with your presence. With Love,Connie, Frank & Brooke Sanseverino

Joe was a true friend and mentor to our family as well as an amazing father and husband. He was always positive, caring, influential and had the largest smile for all.
