My heart is broken. I was just about to send an email but because I hadn't heard from her in a while I feared the worst. I really enjoyed working on family history with Dinel. We are both descended from the Wallace family and did a lot of work and collaboration together. I already miss her emails, the records she shared, her kindness, her spirit, and her dedication. Rest in peace my cousin/friend. One day we will meet where the struggles of this world are no longer inhibiting to anyone. My prayers are with Dinel's family and friends. May you all find comfort and peace.
