William H. Corsini

APR 18, 1924 - NOV 23, 2020

William H. Corsini was born in New York City on April 18, 1924. He married Amelia Andreoli in 1946 and they had four sons: William, James, Richard, and Michael. (Amelia died in January, 1987.) He married Linda Otto in April, 1988. Bill was a WWII Veteran. After the war he worked for over 30 years for the federal government in Washington, DC, and lived in Westminster MD. After retirement he lived in Clearwater FL and then in nearby Dunedin.

While living in Maryland, he enjoyed hunting, fishing, and working on his small farm. When he moved to Florida he bought a boat and took great pleasure in sailing it in Dunedin area waters with family and friends. He and Linda were active in the Focolare Movement and lived part of every year at its center, Mariapolis Luminosa, in Hyde Park NY. Bill designed and oversaw the construction of the chapel, dining hall, gym, and other buildings on the site.

William H. Corsini died on November 23, 2020. He will be remembered by all who knew him as a kind, caring man with a wonderful sense of humor and a gift of making those around him feel loved.

He is survived by his wife, his four sons and their wives, ten grandchildren, and fifteen great-grandchildren.

His words were spoken with a smile. His message was clear. He shared his insights with love and profound knowledge : "What matters?" "Loving matters." Bill conveyed a sense of joy that was infectious. Whatever we did together I felt his unity. He was a good listener and I felt his concern whenever we shared. Bill lived the reality of our collective spirituality by his concern for others and by his joy. Bill helped build many wonderful buildings at Luminosa. His way of living helped me to realize that we go to God together. Thank you dear friend and mentor. JimSmith

Bill was the guy you always wanted to have around. He always had an interesting story to tell and a witty joke to crack to lighten up any situation and make you feel like you belonged. I had the fortunate opportunity to work with Bill all summer long for several years at Mariapolis Luminosa upstate New York. We found ourselves doing some of the oddest jobs you could imagine. But whether Bill was painting a beat up old shed or cleverly redesigning the structure of a bridge to make it safer for people to cross he had the same loving and positive disposition. I guess that was it. That was Bill. He built safe and welcoming bridges that everyone wanted to cross because it brought them closer to his kind and welcoming heart. You will be missed bro. Stay close to Linda and Keep on Playing! Joe

So many beautiful memories with Bill and Linda when we were building Luminosa, year after year we were together. A big embrace to Linda. The last time we saw each other was at HolyName Cathedral in Chicago, unplanned. We all attended the noon Mass. A joyful encounter ! UNO SEMPRE !!! nilda salud

Bill's love for everyone was as father, brother, friend. He was selfless in observing what needed to be done for anyone around him. His simple hospitality is what remains with me and all the memories of those summers at Mariapolis Luminosa building together a more united world while overcoming every obstacle. The final hymn of the funeral Mass left me with the vision in my head of Bill rejoicing in heaven, praising God. With tears it is with holy envy I bid Bill "See you again, Arrivederci!" Pat Dreveny
