To Robs family, I had the pleasure of being friends with Rob, we talked geek, O.H. and Newark/Mentor football as well as so many other things and food all the time, I was lucky to have him around in my life, I truly miss him. To Kim, to you I pray that time washes away the pain and wounds and give you a rest with peace and happiness that you can reflect on the precious time that you had together.

I had the privilege of working with Rob at Dell/EMC. He always added his own style of humor to any conversation which always lightened the mood. I always enjoyed hearing about his life with Kim and how happy he was to finally get married. Our entire team misses Rob and I hope memories like this will give you some comfort. God Bless!
