What a man. Father, husband, grandfather, uncle. Marine, police officer, truck driver, bartender, security guard, coach and friend.. He touched so many people in his life. He overcame the obstacles before him and was blessed with a special wife, 5 wonderful children and many grandchildren. He was there to straighten me out once or twice and to give me support when I needed it. I will miss him deeply and will try to live up to the example that he set in his life. I love you "unc".Vince
