Arthur D. "Pat" Booth Jr

AUG 6, 1925 - MAR 13, 2021

Arthur D. "Pat" Booth, Jr. passed peacefully on March 13, 2021 at his home at the age of 95. He was a loving husband to his wife Ellen for 68 years, until she passed almost three years ago. Pat is survived by his two daughters Ellen (Kit) Sweeney, and Suzanne Cuthbertson, and son Arthur D. "Chip" Booth, III, but lost his other daughter Catherine Morris almost 4 years ago. He is also survived by two sons-in-law, his daughter-in-law, 10 grandchildren, 15 great grandchildren (with # 16 on the way soon), many nieces and nephews, all of whom will miss him dearly. Pat was very much a family man, who did anything and everything for his beloved family. He was a successful business man specializing in commercial real estate and investments. He was born in Detroit, MI, and was a World War II veteran, serving his time of duty in the Pacific theater in the Army Air Corps. He moved to Florida in 1971, and lived in the same home in Clearwater since then. He was a life member at Countryside Country Club, and was an avid golfer. He enjoyed traveling, and for all that knew him, had quite the sense of humor. He will be remembered at Moss Feaster funeral home on Monday, March 22 from 6-8 pm, and Mass at Light of Christ Catholic Church on Tuesday, March 23 at 10 am. Due to COVID concerns, the family asks for all attendees to please wear masks, and practice safe social distancing, but air hugs are appreciated and welcome. Donations may be made to Suncoast Hospice

George Reno posted:

Pat Booth was my uncle, but much more than that, he was one of my best friends. It may seem a little odd to have a true friendship with a 30 plus year age difference, but not really given the type of person my Uncle Pat was. He possessed the qualities everyone wants in a friend – he listened, he cared, had a great sense of humor, was interested and interesting, warm and welcoming. And like a true friend, he provided guidance and a strong dose of reality when needed. We visited often - preferably in person, but within the last year, over the phone. He would see it was me calling and answer "Joe's Pool Hall" which would get us both laughing setting the tone for whatever conversation followed. Sadly, as my cousin Kit said to me after he passed, "Joe's Pool Hall is now closed". I will forever miss my dear friend. - George Reno
