I worked a short while with Deborah at Goodrich and Pall and shared many a laugh over lunch. I remember her excitement in telling us about the fancy refrigerator she was getting with her bonus money and what a hoot she was. What a beautiful smile and person and way too soon to leave us. May you find comfort and peace as you walk through your time of grieving.

It was a shock to hear the news - Deborah left us too soon. I remember Deborah's bubbly, happy personality. She was a pleasure to work with at Goodrich in Oldsmar and I still remember her baking an amazing rum cake on my birthday - she will be missed and I send my deepest condolences to her family. May she Rest In Peace. Ziad Fraiwat

My condolences to the Brody and the Weintraub family. I am so sorry your loss. Debbie and I were friends beginning in elementary school. I have the greatest memories from our sleepovers in the basement, playing with the rabbits, Girl Scouts (with her mom, Mrs. Weintraub as our fearless and wonderful leader), even going to church. We got ourselves into mischief many times, but Debbie always had clever solutions. I could go on about time spent in her childhood home with the cats, rabbits, baking cookies, running in the sprinkler, and the first microwave in the neighborhood. Although we got moved in separate groups in high school we were still friends. As adults, we only touched base on occasion as happens with busy adult lives - but still we were friends. She was truly a strong influence on my life. I texted her just a month ago - she just came to my mind (as this sometimes happens). She said was healthy and fine during this challenging year 2020. I will miss you Deborah with an 'h'. Friendship - that's for life.
