Grandma loved baseball and shared her love of the game with others. I fondly remember watching and talking about the Braves with her as a kid. Grandma met Hall of Fame catcher Gary Carter on a few occasions and had him sign an autograph for me whenever they'd cross paths. It was a sweet reminder that she was thinking of me even though we lived hundreds of miles apart. Love you, Grandma.

Marilyn my mother in law she was a great women who loved sports, especially baseball and hockey. I was fortunate to be one of us that took her to her last game with the Devil Ray's, she was like a kid in a candy store, I am so glad I have that memory with her. I will miss her dearly and now every time I see the Ray's playing I see that smile on her face. Love and miss you Mom. I am very honored to be part of the Crowley family.

Marilyn A. Crowley, my mom. The strongest, most independent, the most humorous woman I've known, ever. My mom taught me how to survive in the hardest times using humor, strength and Faith in God. Mom was there to help guide me through life in good and hard times. She (mom hates to be called SHE) never, ever turned her back on her family. Mom taught her children to love and cherish one another always, no matter what and we do. I know my mom is in Heaven now looking down on her family. Mom promised me before she passed that she would sprinkle a little Heaven on me. Knowing that makes her departure just a tiny bit easy. But her not being here will always leave an empty spot in my life. I love you with my whole heart, mom. I know you are saying "I love you more" Rest in Peace little lady!
