Mike Durham lit a candle in honor of Stephen.

Steve was one of my best friends from our BMX DAYS! He really could fix about anything and did around the 2 local BMX Tracks we volunteered for. My best memories of him were from those days, but I guess the best was he started the tradition of taking many of the local racers to Hooters after the first days practice at the BMX Grand Nationals in Louisville KY. Miss you buddy! I'll see you again some day. Keep the Track watered down for us...
