He was so kind and would help anyone! He worked hard and raised children that weren't his blood children but made them his own! Provided for my sisters family better than any step father could! He will be greatly missed! The grandchildren loved him so for how he spent time with them and made them laugh. We all loved Mike!

To say that u will be missed is an understatement. You were the best brother-in-law that I could have ever asked for. I will miss your sense of humor, your kindness, and especially your barbecue chicken! There is a hole in the heart of Vicki, the kids, and grandchildren that can never be closed. You were cherished by so many. I miss you now and forever. I love you Mike
