Carla Stack

AUG 24, 1956 - SEP 18, 2021

Carla Stack passed away peacefully on September 18, 2021. She enjoyed spending time with family and friends. She loved the beach, travelling with her husband all over the world. She worked 35 years as an ER nurse and was one of the first women accredited firefighters in Illinois. She swam competitively, and spent countless hours at the ballfields with her kids. She loved fiercely and her family was the most important thing in the world to her. She is predeceased by her parents Audrey and Norman Hawthorne; brother, Bill; sister, Ruth. Survivors include her husband of 38 years, Edward; daughters, Sara, Emily (Chris), and Molly (Taylor); sisters, Mary, April (Rich) and Patty. Carla was always there when it was tough going in the ER. She had a quick wit and was a good friend. Carla brought a beautiful orchid to my mom's house when my dad passed away, her thoughtfulness was appreciated. She called me "Sally" because of my red glasses, and the name stuck. I remember a fishing trip with Carla, Ed & Colleen out of Tarpon Springs. We didn't catch many fish, but we had a great time. I will miss playing our word game online too, she was a faithful friend and will be missed
