Me & Uncle Dan Winter Haven, FL 1957 From the start of my life, to the day I got married, to all the years in between, you gave love, laughter and guidance from your big heart. I'll miss your laughter and guidance, but your love is stuck in my heart forever. Rest in peace Uncle Dan. Now you're with my momma and Aunt Lovina and your brothers. All my love to you! Uncle Dad was so special to me. He was the reason I went on to have children of my own. The light within him shone brightly. To know him was to love him. He believed in me and it mattered. In all of his infinite wisdom, he was full of encouragement. He would pick me up and dust me off when I failed. He was proud and always told me to "go for it". He cared for this family and all the members in it whether we deserved it or not! He had a way of caring/loving unlike anyone I ever knew. Now, don't get me wrong, he was not a Saint by any stretch of the imagination. He loved a good drama, whether it be on TV or maybe he would stir the pot a little himself!! He had a wicked sense of humor one that he had many years of developing and one we can all appreciate! One thing is for sure we were all drawn to his light and he will be missed beyond what words can convey. He was my rock, With much love and affliction.....Joy

Danny we are so saddened to hear of your loss. We will remember the good times together. You were one of kind. My favorite memory of you is when you picked John, Riley and I up at the airport and Riley was a baby; you looked at me and said I'm happy to pick you all up but I have no idea about car seats. I thought that was one of the funniest things you ever said to me. God Speed! Rest with the lord. Love Always. - Candy Fallon
