I grew up in Lyons a few houses away from Elaine and was a classmate graduating in 1962. I offer my condolences to al her family as you go through these days of loss.Elaine was part of a family of three "girls" who were idolized by many of us young geeky guys for their beauty and their class. She was always special to me in many ways. As is often the case in our fast-paced world we lost track of each other and only crossed paths in later years at class reunions. Those few hours spent sharing and laughing were special and worth the effort of being there.She will be missed - but knowing her, I am sure there are many wonderful memories for you to share. Share the stories and remember her life.Wayne Johnson, 14 Pinney Street, Unit 17, Ellington CT 06029
