My Dear Cousin Elaine, We grew up together and went on double dates together. We went to dances and school proms together, laughed together and had family gatherings together with moms and dads, grandmas and grandpas and aunts and uncles. We were such a close knit family when we were children and teens. My heart was sad when I saw your obituary on the internet on March 22. I'm glad, however, that we were so lucky to have all these wonderful memories. I'll treasure them - and you - forever. Love you. Your cousin, - Gloria Derdzinski Chicago, Illinois - - - - To the family, all my sympathy. If by chance there are memorial cards available, please let me know via my email address. I would like five to give to the cousins.
