## **Judith A Godfrey**

MAR 9, 1948 - APR 9, 2022

**J**udith A. Godfrey passed away peacefully at the age of 74 on April 9, 2022. She is survived by her loving husband and family.

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres.

A celebration of life gathering will be held Sunday April 24th at 11 am with a service to follow. The family asks in lieu of flowers to make donations to your local ASPCA. A webcast of the service will stream at 12 pm on Sunday 4-24 at 12 noon at <http://webcast.funeralvue.com/> event id # 72707, no password required.

Bob, Becky and I were so sad to read of Judy's passing. Wish we could have made the service but I watched online this evening. I have been thinking so fondly of happy memories of both of you from FPC but Judy was such a joy to work with. Sometimes like a big sister, sometimes like a mother, but always like a true friend. She grew the most beautiful roses, created the most delightful meals and loved you, Travis and her family with all of her heart. We lost track of where you guys were after North Carolina but we think fondly of our work experience with both of you. God Bless Friend.

Judy brought joy to all that knew her and all that met her. She could light up a room with her smile and made everyone feel a part of the family. A life ended much too soon but is now in a good place. I will miss her and I doubt I will ever find a better provider of lemon ice house cookies. Be at peace Judy and know you are loved and missed by many
