Mr Schutt was one of my very favorite teachers! I had him for 9th grade biology at JFK Junior High in 1968. He reinforced my love of the life sciences and is part of the reason I became a RN. He was a positive, engaging person - full of passion. I've thought of him often over the years and so glad he lived a long and beautiful life. A few months ago, I also lost my father at 91. It's never long enough. I send my sincere wishes and prayers for your peace and comfort as you grieve the loss of your dad, a most special man. Patti (Koch) Rackstein

Thank you so much for sharing your memory of my father. Dad loved teaching and one of his greatest joys was reconnecting with students he had taught over the years. Kelly & Lisa Schutt
