Uncle Chuck/'God-dad'..I used to laugh when I'd send you a card and address it to God-father Kerekes...you'd say 'You are going to get me in trouble!' I'm sorry we didn't know of your 97th. I'll always remember how helpful you were to Ma (Lettie) after Dad passed, on the heels of Aunt Betty. I was grateful you kept the friendship/relationship going after all those years from Cleveland and went to visit her in her care center, etc. I'm sure you and Daddy are golfing the heavenly courses w/ 'the boys' as I type this. Give my love to God-Mom and my folks. ❤️✚😊🌻🙏♂️

Uncle Chuck was such a sweet grace in my life and in my family's life. He truly was like a second dad to me and a father-in-law to my husband and a grandfather to my daughter. He impacted our lives in so many different ways. He was always helpful, kind and had a wonderful sense of humor. He taught me many things, including how to fish, how to throw a softball better, and how to drive my car better. We will always treasure the memories we have of time spent with he and my Aunt Betty, and in later years after her death, special time spent with him. He also shared both my husband and my love of flying and was always intrigued to hear flying stories from my husband..I will always remember his perseverance, his love of life, and his helpfulness to whoever needed it. My family and I are so grateful that the Lord saw fit to give us Chuck and Betty as our family. We will miss him dearly.

Wow! The video is a moving tribute to a man we love and admire. He was a good and faithful Catholic from baptism to death. A wonderful father, grandfather and uncle who inspired comfort and confidence in our family. A true patriarch whose influence will remain. May he rest in peace with the Lord and out departed family members.

Chuck Ross lit a candle in honor of Charles.

Uncle Chuck was my hero. I looked up to him all my life. I was always impressed with his physical fitness, mental acuity and sense of humor. It was an honor to be with him and his family when he sky dived on his 90th birthday. Despite being a Gator, I loved him dearly. He truly will be missed.
