I walked with Ruby at the mall for many years. Even though I'm a lot younger we shared a lot. We were both old OR nurses and would talk about the changes that have come down through the years. I also tried to call her at least once a week during Covid to let her know we were still around. She is now at peace and pain free. She led a good life. My deepest sympathy to the family. Ruby was my boss at Weiss Memorial in the OR. She was kind but firm. We were like a family in those days. She made a big impression on me in those days.

Last year I 'met' Ruby, on the telephone, as I did my volunteer Bible education work. For several months I shared beautiful thoughts of a better world with her. She was a joy to know. I was worried when she stopped answering her phone that something may have happened. A friend suggested I do a 'search' in the obits to see if I could find her. And, now I have. I'm so sorry for your loss! I look forward to meeting her in a better world! Sincerely, Ann Hilgendorff
