Gerri was a lovely woman! We were privileged to meet her, as well as Bob, through our son Dave Evenson, who was their neighbor, in Denver. We were always impressed by her smile, warmth, wit and most caring that she showed toward us. We truly missed her when she moved from Denver. We will miss her but her picture sure does bring back all sorts of good memories. You were fortunate to have such great parents! Our sincerest condolences, Jack and Barb Evenson
