Marilyn was my art buddy at Newton south high. We stayed in touch over the years. I was so sad to hear she had died. Please accept my condolences to her family. I really thought we would see each other again and share memories and laughter. She taught me the twist among many other things !!

I have such fond memories of Uncle Owen and Marilyn in Queeche, VT. They were kind enough to let me stay with them while I was searching for a job in 1993. I worked at the Gallery @ Queeche and Bentley's Restaurant. We made dinner nearly every night, took care of Leo the Bulldog and started building their house in Pomfret. Marilyn always had brilliant stories to tell and life lessons to teach a young kid right out of school. I will forever be grateful for their advice, hospitality, generosity and kindness.

I adopted Boris your exceptional cat when you moved to Florida. He brings up memories of you so often. Love you and miss you my friend I know we will see each other again. I am deeply sorry and shocked at the loss of sweet Marilyn. She was such a vibrant, active, and friendly woman. While I didn't know her long, and I only knew her from my exercise class, I could see what an interesting special person she was. We all miss her from our class. She shared her Paella recipe with me and I will always have her in my heart when I enjoy making the recipe. My sincere condolences to her husband, children, and grandchildren and all in her circle.
