We had the pleasure of meeting Ron and Adrienne thru a mutual friend, and we were fortunate to call them friends. We looked forward to seeing them once a year in our yearly trip to Florida. We have many fond memories of all the fun we had together. Ron will be missed, and we wish the very best to Adrienne and the rest of their family. With love from Michigan, Bob and Dottie

Well Oscar, I was thinking and hoping that we would spend many more years together as friends but that didn't work out. As people have told me, it's time to remember the good times we had in so many years when we were friends and known as Oscar and Felix. The story on how we got to be called that will be remembered forever. I feel very fortunate to have been able to spend many fun happy good and even sad days together. When we had fun to celebrate a life of Oscar just have a good dish of linguine and clam sauce which was of course his favorite. Nobody else could make it like Adrienne and Oscar. I asked The dear Lord to keep him safe and blessed his family and friends which were so many. My heart soul and body will never get over the shock of his passing. I'm sure someday will share the same closeness and friendship as we've had in the past and until then my deepest condolences on the passing of my most beloved friend.
