Just One of my best memories of Victoria aka mama Dukes, was when I first became a part of her family 19 years ago it was 3 days before Christmas and my mother.... well let's just say I had, had enough and finally found a way out. And on that Christmas morning sitting with a family I barely knew. Vicky who didn't know the 16 year old girl sitting on her couch, gave me Christmas gifts. It was one of the best days of my life. She made such an impact on my life and I can't even express my gratitude for her. I love you mama Vicki and I will miss you to eternity. I wish I could say goodbye in-person.
