Alice and Bob were great friends of my parents. My dad lived for her soup delivery (even saved the containers to return in hopes of a new batch and there always was)! I was able to get to know Alice at many dinners , BC functions and phone calls. Alice was a wonderful lady and a great friend! WOW she looked great for 91! She will be greatly missed. Now she can hug Bob and put in a good word with the big guy for her Steelers. The Daley Family
