Pat was a Client of mine for over 10 years, as I was her stylist. I was privileged to have had her as not only a client but a wonderful friend to talk with. She had a wonderful sense of humor and a huge loving heart. I loved helping her to feel beautiful and our little talks. She will always be remembered. She always told me how much she loved Hawaii and how I must go. I will definitely have her with me when I finally do.

Pat or as called her growing up "Patty" was more than a sister to me. She was also like my mom growing up always there when our mom was ill. She got me my first accounting job that launched my career. She treated me and my children like royalty whenever we visited, arranging trips to Disney, Bush Gardens, the beach and the Pier. Pat loved to get pedicures and I was able to go with her couple of times when I visited. She and Mike were gracious hosts who loved to cook and also dine out. Words cannot express how much I will miss her 🍷
