Penn met Jennyfer in Orlando, FL in 2010 and made her his wife March 26, 2016. He settled his family in Palm Harbor, Florida. He proudly adopted Avalon in 2017, making a large family of all girls he doted over. Penn loved all of his girls and affectionately called them his Sparkles.

Penn was a devoted father, husband and avid athlete. He played multiple sports. If there was a ball and buddies, he was eager to play and lived for the team comradery. He could be found at most home Knights' football games or watching any and all levels of football. Penn loved traveling these great United States, hiking and biking with his wife and relaxing at Lake Willis. There was never a micro-brewery he could pass up and he enjoyed talking with the locals. His true heart was in connecting those he called friends. He was known for being wholly present when talking with you. He will be deeply missed by his friends, family, and all who knew him.

Services will include a viewing at Moss Feaster Dunedin, Florida from 7pm-8pm on Thursday October 20, 2022. There will be a graveside funeral service at the Bushnell National Cemetery on Friday October 21, 2022 at 10:30 am.

In Lieu of flowers, donations can be made out to Natalie's College Fun AEIS FBO Natalie Holsapple and mailed to: 14311 Metropolis Ave. Ste. 205 Fort Myers, FL 33912

I was with Penn at Ft. Stewart, GA. I remember him being very kind and down to earth. I played soccer with him after duty hours on several occasions. RIP sir.SGT Johnson (Greenville, SC)

Although, I met Penn once years ago, I knew him most vicariously through George and Roxanne Holsapple, who always had wonderful reports of his life. What an exemplary person who fought for our country, and I am so grateful for his service. So saddened for his family and daughters. Prayers for him now to be comforted in the arms of Jesus. Love and God bless you all. Prayers for all the family and friends. Joyce McCloskey
