Norma and I were in the choir at Skycrest UM Church. When my work kept me from Choir practice, she was kind enough to bring me my music to make sure that I had time to practice at home. I shared with her some family matters. I could trust her, I felt comforted by her and she prayed with me. I love her and will miss her so much.

Norma and I were in the choir at Skycrest UM Church, we sang a duet there once. I also sat in her Bible Study classes. I felt we were kindred spirits. She will be deeply missed.

Norma and I often sat together in Choir. We enjoyed our chats and found commonalities. We both loved music. Was looking for she and Jim at the Advent lessons and carols of Prince of Peace Lutheran on Dec 9 where we had seen them pre C19. But she was already experiencing the full beauty of the Light of Christ. I loved her spirit.

My sister was also my prayer partner. We frequently called or texted personal prayer needs, that we both understood, as we both walked some of the same emotional struggles. She was a protector of her little brother when I was small and took the role of family matriarch following our mother's home going. She had an easy laugh and a wicked wit. I look forward to our reunion around the throne of the God we both served. Ted
