I was ken's therapist for PT. When I first met Ken, he and his wife welcomed me in their home with open arms. We always spoke about what was on the menu that particular day as Ken loved Barbara's cooking. I made sure to push ken to walk and exercise and even though I know it wasn't easy, he always gave it his best. As one of my most memorable patients, he will be missed but never forgotten. Rest in peace, until we meet again in heaven.

Ken, you are so much more than a friend. You are part of our family. You watched our children grow to adulthood. You've always been right beside us to share our joys and ease our sorrows. The four of us have had such great times together. We will cherish those precious memories forever. Rest in peace, dear friend, until we meet again. You are always in our hearts. All our love, Jim and Sandy
