I have fond memories of the time we had at Lenses house chatting with Mr. and Mrs. Lense. We could have stayed all day and night. We swapped stories about fishing including the Tracker 17 that my son still owns, which originally was owned by Patricia and Lawrence. We particularly loved hearing about Tuna adventures and life in San Diego. May you be in Peace. Love the Becks

Great Aunt Pat was like a Grandmother to our children. We saw them every weekend at Mass at St. Timothy, and they shared in many memorable times in the years they were still in Union. She will always be remembered with love.
