Hi Charlie, I met Geri While curling in my first ever US Women's Championship with Margaret Smith in New York.. We curled against the Tilden St.Paul rink and received a printed roster as a memorial to this event. ....One year later Myself and my husband,Jim Breen were moving to Minnesota... Geri and her teammates were the only people I knew from Minnesota...I called Geri for the name of a realtor. She put me in touch with YOU! and you connected us to ClapThompson Realty.. and to Sarah Kinney, who became our Realtor and sold us our home 1 mile from the Arden Hills Curling club! Sarah also became my best friend for over 43 years now!... I am so grateful for connecting with Geri ... the rest is History... thank you, Joan Breen Blanchard

Hi Charlie. I am so sorry to hear of Geri's passing. I appreciate all the opportunities I had to curl with her in playdowns and bonspiels. One of many memories I have of Geri is her wearing this gray sweater, unbutton, sliding down the ice, the sweater would flare out and she looked like super woman. She was a tough competitor. Take care Charlie. I am thankful, Debbie Dexter

Dear Charlie, It was a shock to hear of Geri's passing. I still remember how she loved a good laugh, a drink, and of course, curling. She will be remembered at our spring Bonnie Spieler banquet this year. So glad we got to visit you two in Florida. Are you the cat caretaker now? Be well. Judy Olsen
