# Jeffery L. Perrone

APR 1, 1981 - MAR 18, 2023

**C**hief Petty Officer Jeffery Lloyd Perrone, US Navy Submarine Service, of Ilion, NY, has joined those on Eternal Patrol and succumbed to the devastating effects of advanced stage neuroendocrine carcinoma on March 18th, 2023. He was 2 weeks shy of his 42nd birthday.

Chief Perrone served on the USS Providence (SSN-719) for two tours as Quartermaster based at SUBASE New London, Groton, CT, one tour aboard the USS Alexandria (SSN-757) as Assistant Navigator (ANAV) based at Naval Base Point Loma, San Diego, CA, and one tour aboard the USS Albany (SSN-753) as ANAV based at NS Norfolk, Norfolk VA. Shore commands included a full tour at Camp Ali Al Salem in Kuwait, NSSC at SUBASE New London, and Submarine Group 10 at SUBASE Kings Bay, GA. Chief Perrone was dedicated to his decades long career in the US Navy and was looking forward to a peaceful retirement, and the remainder of his life that was cruelly stripped away from him by cancer.

He was a member of the Society for Creative Anachronism, a medieval recreation society where he took on the name of Gieffrei de Toesni, and studied the history and techniques of numismatics and coin making in the Middle Ages. He inspired many to take up the art, and was inspired by others to take to the battlefield. There was no craft he did not excel at.

He is survived by his wife of almost-9 years Angela, his grandmother Arlene, mother Carol, sisters Barbara and Marjorie, nieces Abigail and Mycena, and grand-niece Elizabeth.

The family would like to extend heartfelt thanks to his care teams at Moffitt Cancer Center, and the James A. Haley Veteran's Hospital in Tampa, Florida, for their outstanding quality of care. A Celebration of Life as an Irish Wake will take place at a later date to be determined.
