My husband and I have known Mark for 23 year's. He was a truly amazing person, he deeply cared for those he loved. I have always considered him family, but marring my cousin Angelique made it really true. We will miss you Mark, RIP my friend.

Mark was my lover, my best friend and my partner in crime. He never missed a chance to tell me how much he loved me. His last words to me were I love you more. I can't imagine a single day without him. Nothing in life will ever be the same without him. We had a conversation the day before he died about how wonderful our lives were. How lucky we were to have found each other. We had seven of the most wonderful years together. My love I will love you forever.

I was on the interview team involved with hiring Mark at Hillsborough County Fleet. Mark was very knowledgeable on motor vehicles and related tooling. I enjoyed the time we had to work together.
