Shirley Sawyer Edwards lit a candle in honor of Tammy.

I was the first family member who welcomed Tammy and her boys to the family in Magnolia, NJ. Tammy always considered me as her sister and we shared many fun times together over the 48 years. As Tammy's vision affected her ability to drive I gladly helped her with rides and going through her mail. She was always grateful and happy to be a part of our family. She will be missed by all of us. Shirley Sawyer Edwards, Clearwater, FL

To all of Tammy's family - I first met Tammy when I went to Florida to visit my Aunt Rena. We stopped to visit my Aunt Anna and she took me to see Eric and meet his wife, Tammy. She absolutely amazed me with her beautiful smile and then had to show me her sewing. The second time I met Tammy was at my cousin Betty's and she brought her famous egg rolls. I was so glad I reconnected with my cousins but sad the next time I was there I missed talking with Tammy as she was visiting in Viet Nam. You all have lost a very special woman, friend, mother, grandmother and great grandmother. However, I am sure she and Eric are very happy to be back together again.
