I had Mrs. Ballentine for my 6th grade teacher at Washington McKinley in Lima. She was one of my favorite teachers. One thing I remember was she taught us to listen to words to songs. She brought in a Simon and Garfunkel record and we listen to the words and talked about the songs. When my daughter was in elementary, the Ballentines brought in puppets to her class. I was thrilled that she got to experience Mrs. Ballentine as a teacher too. Thanks for being a party of my life Mrs. Ballentine!
