Oh, my! It seems that just recently Caroline had called us to tell us of Tom's passing. And now ----
-.My husband Hank and I have know both Tom and Caroline since our boating days on the Chesapeake Bay. We were side by side at Mears Point Marina at Kent Island, MD. Did many a 1 - 2 week vacation cruise with them! We were both in the US Coast Guard Auxiliary until Tom & Caroline moved to Punta Gorda. And, then we ended up visiting them and finally moving to the same town.Our wonderful times together will never be forgotten. Our thoughts are with everyone in the family and all of their friends.Linda & Hank Bauman

Yes Caroline in memories as I can recall while driving that 70 Ford 500 model that we had in Maryland and Rick & Caroline drove it south on the Interstate was a nice big car, Caroline had to be propped-up, on many pillows so she could see out over the win shield. any way Suzann and I enjoyed her so much. She was a True Treasure. Dick Palmer
