William Panzarella

OCT 30, 1970 - AUG 4, 2023

William Panzarella, 52, passed away on August 4, 2023, at the Mease Countryside Hospital in Safety Harbor, Florida. William, Bill to many and Billy to others, was born October 30, 1970, to Attilio and Mildred Panzarella. William spent his childhood years in New York, then moved to Scottsdale, Arizona in the 1980's where he spent his formative years.

William focused his education on finance. He moved back to New York in the 1990's and worked on Wall Street. William left his position on Wall Street to pursue his passion for writing. He authored several books and had been interviewed about them by multiple radio personalities. He was most proud of his novel "American Horse", a novel about a military family in the aftermath of World War II and the Vietnam War.

Several years ago, William moved to Safety Harbor, Florida. He liked to stay informed about current events and considered himself a constitutionalist. William had an infectious smile, enjoyed traveling, playing the guitar, swimming in his pool, cooking, and playing with his dog. He made it a point to keep in touch with his friends and family.

William is survived by his loving wife Mary and his dog Nala. He is also survived by his son Dylan and his daughter-in-law Ally. He will be missed by his brothers, Robert and wife Barbara, Kevin and wife Loretta and Jimmy and wife Carolyn, as well as his nieces, nephews and cousins.

Oh how we will miss Bill and his beautiful smile, happy outlook, talks on Politics and sports. He came to our restaurant Outpost 611 a couple of times a week for the last couple of years. He is a staple, a customer...our friend. Our hearts are broken. Rest in peace Bill, until we meet again. Xo

Ever since High School you have been like another brother to me. I will truly miss your wit, smile, and laugh! I feel so blessed to have spent time with you on your last visit to AZ. I definitely know that you are now with your Mom, Dad, and Kaiser. Thank you for being such a special part of all of your lives! We Love You Billy!!!
