In Loving Memory of Haley Fuhs

It is with heavy hearts that we announce the passing of Haley Fuhs, on August 5, 2023. She was a vibrant and radiant soul who brought endless joy to everyone around her. At the tender age of 25, she left this world far too soon due to an eating disorder, leaving a void that can never be filled.

Haley was more than just a daughter, sister, and friend – she was the beating heart of her family. Her infectious laughter and playful nature turned even the most mundane moments into cherished memories. Her parents, brother, and of course Roo, were undoubtedly the center of her universe, and she in turn was the bright light that illuminated their lives.

With a personality that could light up a room, Haley was a true goofball who believed in the power of laughter and positivity. She couldn't stand to see anyone sad or downtrodden and would always insist that you turn that frown upside down, or else. She had an uncanny ability to turn tears into smiles even if it required spontaneously erupting into interpretive dance in the middle of a crowded supermarket. Everyone was drawn to her magnetic spirit, and her presence was a beacon of happiness in their lives.

Though her time on this Earth was tragically brief, Haley leaves behind a legacy of love, laughter, and resilience. Her spirit will forever live on in the hearts of those who were fortunate enough to know her. As we mourn her loss, let us also remember the beautiful moments she shared with us, and let her memory serve as a reminder to cherish every laugh, every smile, and every moment of joy.

May Haley find peace in the eternal embrace of heaven above. Rest in serenity, dear soul. You will be deeply missed and forever loved.

In lieu of flowers, memorial donations in Haley's honor may be made to Speak Up! Let's Talk About Mental Health, <https://www.speakupformentalhealth.org/donate>.

To my beautiful Haley, My heart is broken and you will forever be missed. You had a way of bringing laughter and joy whenever the family is together. From wandering away as Mary Kate and Ashley, sitting in a row with the girls every Christmas and always having a way of bringing a smile to your dad or Keegan. You are beautiful, smart, kind and a true joy. My sweet little niece. I love you so much. Aunt Stephanie
