So sorry about Mollie's passing. She was a fellow classmate of mine at Dunedin High School, and in fact, served on the class of 1962 reunion committee for many years. She will be missed by all who knew her.

Dear Lew and the Howell and Kirkland families. My condolences on your loss. I am a member of the DHS Class of 1962. Mollie was loved by our class for her kindness and her dear friendship. I will remember how much fun she was and how she always had a smile. I appreciate her dedication to our reunion committee and how she always welcomed those of us who are out of state back home. I am forever grateful that last year at our reunion, I had time to talk with Mollie and was again reminded how very special she has always been. My love to you and the family.

Dear Lew and family members. Mollie and I have been friends for many many years, over 60years to be exact. In later life we talked seldom and always vowed to talk more often. When we talked it was liked we had never let a lot of time pass. Mollie was so kind and was a true friend. I tried to call her last week and we didn't connect. I will miss her so much and my heart goes out to you Lew. God bless you for all you did for Mollie.
