Kelly Simone posted:

You'll never be forgotten That simply cannot be. As long as I'm living, I'll carry you with me. Safely tucked within my heart Your light will always shine; A glowing amber never still, Throughout the end of time. No matter what the future brings. Or what may lie ahead, I know that you will walk with me Along the path I tread. So rest my angel, be at peace. And let your soul fly free, One day I'll join your glorious flight, For all eternity.
