# Jeffrey Alan Augustine

JAN 7, 1966 - JAN 27, 2024

Jeffrey Alan Augustine, 58, was born on January 7th, 1966 in Bucks County, PA. He passed away on the morning of Saturday, January 27th, 2024. He attended Atlantic Cape Community College, in which he received an Associates Degree and was studying for a BA. He then went on to begin a career with GTE and retired with Frontier after 35 years of service.

Jeffrey married the love of his life, Ingrid (Eikeland) Augustine, on June 20th, 1987. The two had three children, a son, Kyle Jeffrey Augustine, a daughter, Sybrina Augustine, and another son, Victor George Augustine. He had a close friendship with Ted Hamm II, who unfortunately passed away from COVID-19. Jeffrey was a minister in the Church of the Latter Day Dudes. He and his granddaughter Aurora Augustine were the best of friends and did so many things together.

His hobbies were quite extensive. He had a passion for music, and participated in several different bands, and could play bass, keyboards, electric and acoustic guitars, and the ukulele. He was similarly passionate about kayaking. Often, he could be found travelling to various islands along the intercoastal and Ft. DeSoto. Vegetable gardening was also a love of his. He shared this passion with his wife, kids, and later, his granddaughter. His favorites were always the tomatoes. Finally, his fourth greatest passion was baseball. His favorite team was the Philadelphia Phillies. He would watch them as a child with his grandfather, George Augustine. He also participated in several fantasy leagues, winning an award or two, and co-ran several more. His last job was working with the Phillies organization at the Baycare Ballpark, and he absolutely loved it.

Jeffrey is survived by his wife, Ingrid (Eikeland) Augustine, mother, Joan Augustine, his sons, Kyle Jeffrey Augustine and Victor George Augustine, his daughter, Sybrina Augustine, his granddaughters Aurora Rose Ruth Augustine and Zelda Dawn Gorhan, his mother-in-law Wanda Eikeland and father-in-law Gene Eikeland, a brother-in-law Lance Eikeland, and a multitude of aunts, uncles and cousins.

Jeff was our closest cousin growing up. He and Sandy were only 2 months apart, so of course, I was always the "third wheel". I looked up to Jeff, knowing how intelligent he was. I remember how he prided himself on memorizing an entire baseball stat book and could answer questions about any player. I remember countless games of Rummy 500, UNO, and all of the rules he made up along the way for Monopoly. Being the odd man out, I was subject to more than my share of Indian Rope Burns and noogies. One time he and my sister Sandy wanted to play by themselves, so they told me to hide and never came to find me! Lol! Even though I was the tortured youngest cousin, I still admired and loved my cousin. My favorite memory was when I visited Aunt Joan and Jeff for a week when I was 15. Jeff took me to listen to his band and to see Weird Science at the movies. There are so many memories. Unfortunately, we drifted apart later in life. I would have liked to have joined him kayaking, as that is a love of mine too. Our thoughts and prayers go out to Ingrid, the kids and grands. 🍷
