My heart is broken now that I have lost both of my parents. They will both be in my heart forever. It won't be easy to move on but knowing they are together forever helps a little. I miss you both so much. I will think about you every day and night. Lord take care of them for me. I am so happy for the time we spent together over the years! Until we meet again in heaven, keep me in your ❤️ hearts too so I can feel you with me
