I couldn't possibly share all the memories I have! We did a million & 1 things over so many years! Bikes, motorcycles, cars, bars , pool tables you name it we did it! Such a fun dude and not shy when it came to standing your ground. We did some fun stuff, dumb stuff and covered every inch of Sussex County! And beyond! Love you bud. Until we meet again ❤️

I met Brian when he lived in Lake Neepaulin, my best friend lived there. I remember him always tinkering on cars. I always remember Brain as being a happy guy. I never saw him "down". He had a quick and wicked wit. I still remember a quip he made once but it's not appropriate to write her :-)  
That was Brian....I was shocked at his sudden passing. Sending love to all who love him. He is in heaven with his beloved father. Donna Marie Cozine, HPRHS Class of 91
