What a wonderful woman..Nancy was always so kind and loving to me and my children. Always there to comfort, love, and when asked, she gave the most loving advice..never judgmental, always forgiving, and encouraged me during hard times. She was such a classy lady and thank you to Lisa and Roland, and all of her family for including me in such a beautiful home going celebration! She is with Jesus and with her beloved husband..I will always cherish her and all of the years we had together!

I have known Nancy since I was a kid. She was always so nice and sweet and kind and a very loving person. Her family and my family were always close growing up. I also had the opportunity to work with her as well. We always called her fancy Nancy cause she was always dressed so beautifully and looked amazing. She was truly a great lady and she will be missed so much. Love you Nancy! ❤️

St. Theresa's PrayerMay today there be peace within you.May you trust God that you are exactly where you are meant to be.May you not forget the infinite possibilities that are born in faith.May you use those gifts that you have received, and pass on the love that has been given to you.May you be content knowing you are a child of God. Let this presence settle into your bones and allow your soul the freedom to sing, dance, praise and love. It is there for each and every one of us.Amen.
