# Frederick James Rancier

AUG 9, 1950 - JUL 16, 2024

**F**rederick James Rancier was born on August 9th, 1950, to Mary (Multari) Paquette in Syracuse, New York. He passed away peacefully in his sleep on July 16th, 2024, while visiting one of his closest friends Gary Miller and doing what he did best, taking care of others with his amazing cooking.

Fred lived the first 43 years of his life in Syracuse, New York, graduating from Liverpool High School in 1968 and Jefferson Community College in 1970. He spent most of his adult years in Syracuse working at Mutual of New York but in 1993 had had enough of the snow and clouds so moved to Long Beach, CA where in the summer of 1996 he met the love of his life Joseph Ciarleglio and were legally married in December of 2013. In 2013 they decided to move to Henderson, NV to be closer to their son and his family and remained there until his death.

Fred was an avid home chef and always there for his friends and family. He was always smiling, loved to be around people and his beloved Chihuahua, Tara. He loved a strong cup of coffee with his morning cigarette, hosting a good party and shopping! QVC will probably miss him very much. Josh Groban, Michael Bubl  and Barbra Streisand's music sales will probably take a serious hit as well. He learned to love Bingo from his mother and continued that tradition in Las Vegas, making many good friends there along the way. Fred enjoyed his job and of course, made many lifelong friends there as well. He retired from Ceridian Corp in 2017.

Fred is survived by his husband Joseph Ciarleglio, son and daughter – in – law Jon and Deena Rancier, grandchildren Kylee and James Beems and Maya Rancier, siblings Patty (Bob) Haroun, Ronny (Paula Rodrigues) Paquette, and Charlie Paquette, numerous nieces and nephews and his Aunt Patricia D'Agostino.

A Celebration of life will be held on August 11th, 12:00pm at the home of Jon and Deena Rancier in Las Vegas, NV.

**Ian Edgar** lit a candle in honor of Frederick.

It has taken me a while to put together what to say but I just want you to know how much you meant to me growing up. So many of the best memories from my childhood are with you and Jon and also a couple of the not so great ones when you were looking at me over your glasses, lol. You were not only Uncle Fred and mom's best buddy but you were also like a second father to me willing to pull me aside or give me a call when I needed support, advice or a correction. I am sorry that we did not talk as much in recent years but I want you to know that you always have been and always will be a part of my heart. To Jon, Joe, Kylee, Maya, Deena I am so sorry for your loss of such a wonderful and caring father, husband and grandfather, Fred will truly be missed. I am sorry that I was unable to attend the celebration of life for Fred but we have made a donation in his name to the Nevada SPCA. Love you all.
