I would like to express my condolences to the entire Family in his time of need. Although I never met Jennifer in person, I felt that I knew her through her Mom. Kathy spoke about Jennifer and her Grandsons all the time and was so proud of "Jen". Thoughts and prayers are with you all during this most trying time.

Jennifer my sweet beautiful princess warrior, you have touched so many life's but I will never forget the wonderful beautiful special memories we shared when you were a little girl, you were so smart in school and you had the most supportive family and friends surrounding your entire life, I can remember when you were a little girl , we all went to all your school rehearsals and watched you act and perform and sing there wasn't a empty sit in the audience, and at times the hall ways were completely filled with your family. I had the absolute pleasure being chosen to be your Godmother. I was your Great aunt also. You will never be forgotten and I will love you forever. I know you'll be watching out over your family. Your wonderful husband Ryan will make sure your precious boys always will remember you. He was your Prince without a doubt. Fly high my beautiful warrior princess. 🥹❤️💜👤👤👤
