My parents Ray and Claudette were Franks and Jeans friends for over 25 years. They had so many fun times together both in Fl and T.I. After my parents passed we kept in touch and I enjoyed spending time at their house after my parents passing. Thank you for allowing me the joy of spending time with me and sharing the many stories of my parents.'Paul and I will miss your FB posts that kept us entertained. Our condolences to the family. Your dad loved his children, in laws and grandchildren.
